

Re: Information for Upcoming Event

Event: Southern Invitational Indoor Tractor Pull - February 2nd and February 3rd, 2024

Location: Tennessee Miller Coliseum - Murfreesboro, Tennessee

To all fellow pullers and families,

We at Southern Motorsports would like to thank each and every one of you for your individual support throughout the years. We are pleased to announce the staff at the Tennessee Miller Coliseum has welcomed the event back for a 18th time! The dates set are February 2nd and February 3rd, 2024.

We do want to let you know that unfortunately, there will be a limit of entry's per class. This is not a choice we want to make, but feel we must in order to allow a more timely finish for each session. Also, Southern Motorsports welcomes back Southern Express Pulling Sled, operated by "Bo" Wesley Simpson & Andrew Page.

Of course, one of the factors affecting acceptance this year will be the application deadline. Please note on the enclosed application the deadline will be, **November 3, 2023. As a general rule, an application completed in it's entirety, with respect of the deadline and a timely arrival, will be considered before those not meeting these requirements. Also feel free to send us a photo of your tractor or truck, but this is not a requirement.**

Again, thank you ALL for your Support! More detailed information will be posted on our website as it becomes finalized. Please check there often in the coming weeks. Or, you may call any one of us directly with any specific questions.

Best regards,
